**Arts of Gratitude (IN-Person Only)**– Join us for our creative art workshops for 3 weeks only leading up to the Holly Berry Fair where we'll have a Table to display our Art and share our resources with the local Community! Everything from woodworking, painting, stenciling, positive affirmation signs, and much more.

**Family Recovery Support (In-Person Only)** - Our family support group will offer a confidential, supportive, and respectful space to share our experiences, strength, and hope when it comes to coping with our loved one's addiction. This group is offered in-person only.

**Family Matters Dinner (In-Person Only)** - Join us as we share a meal, share some good conversation, and share support for one another. Dinner will be provided!

**Fit 2 Recover 4ALL Focus Group (Hybrid)** - This group will be open to our community as a platform to discuss and ask questions regarding our "Fit2Recover Workouts" and how we can best accommodate and support you with your Physical health and wellness needs.

**Hope for the Holidays-** The holidays can be even more difficult for individuals in recovery and we are here to help you stay committed this holiday season. The Hope for the Holidays meeting is for anyone who may need additional support during this time.

**SMART Recovery (Hybrid)** - A science-based self-help support group whose methods can be used to alter any negative thinking or behavior (substance abuse, eating disorders, gambling, etc.)

**Your TURNing Point Recovery Support Meeting (In-Person Only)**- This meeting is for anyone who has struggled with Substance Use Disorder no matter what the specific substance may be. Each meeting, we have 3 NEW topics with short readings to choose from that we collectively vote on to choose the order of discussion. The discussion dictates if we get to all 3 topics!

**Wellness Planning (Hybrid)**– This group is a great way to plan your week ahead in a supportive team setting. We hope to assist one another in creating structure and accountability by touching on and learning all the different methods and practices of wellness. We learn from each other.
